

6 August 1952

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Machine Indexing Project

1. Attached is a proposal for the continuation of the Machine Indexing Project for approval of the Project Review Committee in sufficient copies for dissemination to the members of the Project Review Committee.

2. It should be noted that only a portion of the funds requested, namely, [REDACTED] the rest being to support an internal project in connection therewith.

3. I recommend that the Project Review Committee approve the attached project.

JAMES Q. REBER  
Assistant Director  
Intelligence Coordination
